YEREVAN

ARMENIA

Upon arrival at Yerevan International Airport you will be met and transferred to the centrally-located The Alexander, a Luxury Collection Hotel, where we stay for two nights.

For early arrivals to Yerevan, do not miss the opportunity to take advantage this afternoon of a Freedom of Choice option to visit the Mother Cathedral of the Armenian Apostolic Church, often referred to as the Vatican of Armenia. Built in 301 AD, Etchmiadzin is considered the oldest cathedral in the world. During the tour, we will visit the Treasury Museum of Etchmiadzin. The exhibition showcases important Christian relics, such as the pieces of the True Cross, a fragment of Noah's Ark, and the Holy Spear which pierced the body of Christ. After Etchmiadzin we make a brief stop at the UNESCO World Heritage Site Zvartnots Cathedral. Built in the 7th century, the cathedral features a unique circular shape. From here we make a stop at the Tsitsernakaberd Memorial. This expansive complex, which was completed in 1967, was built to honour the 1.5 million Armenians killed by genocide during the 20th century. Today, the hillside memorial serves as a destination for pilgrims who want to pay homage to the fallen.

Tonight, we will enjoy a Welcome Dinner at an authentic local restaurant – the perfect opportunity to meet meet your fellow travellers and look forward to the journey across six captivating countries of the South Caucasus region and Central Asia.

DAY

YEREVAN

ARMENIA

The Yerevan skyline is dominated by Mount Ararat in nearby Turkey, with its snow-covered peak towering in the distance. Yerevan has a rich history; it was occupied as early as 6,000 BC and the fortress of Erebuni was erected there in the 8th century BC. Seized by a succession of conquerors, the city later passed back and forth between the Turks and the Persians until 1827, when it was taken by Russia. It became the capital of Soviet Armenia in 1920 and following the demise of the Soviet Union, the capital of the new nation of Armenia.

Our touring will take us 23 miles (37 km) out of Yerevan to the ancient Geghard Monastery. The beautiful monastery contains a number of churches and tombs, many of them cut into the rock. The complex of medieval architecture is set into a landscape of great natural beauty, surrounded by towering cliffs at the head of the Azat Valley.

We will also visit the 1st century pagan temple of Garni, built to worship the Sun God Mitra. We will have the opportunity to explore the fascinating remains of an ancient fortress, palace, and baths there. Lunch will also be taken at this stunning location.

This evening we head to the Armenia Wine Company, located close to Yerevan. Here we have opportunity to explore the entire process of Armenian wine making technology, walk through the factory cellars, learn about the evolution of Armenian wine making history at the special museum and try the premium wines followed by authentic and exclusive dinner.

DAY
3

YEREVAN & LAKE SEVAN

ARMENIA

This morning we will visit The Cascade, a giant stairway made of limestone. The stairs afford walkers unobstructed views of central Yerevan and Mount Ararat in the distance. Located inside the staircase is the Casfjesjian Museum of Modern Art, where we make a short visit.

Leaving Yerevan our journey takes us to Lake Sevan, where we stop for lunch with stunning views. Along with Lake Van and Lake Urmia, Sevan was considered one of the three great lakes of the historical Armenian Kingdom, collectively referred to as the Seas of Armenia; it is the only one within the boundaries of today's Republic of Armenia.

After lunch we continue our way, by coach, to Armenian-Georgian border in Bagratashen driving through the spa town of Dilijan well known for its forest landscapes and medicinal mineral water before we make a coffee & brandy stop at Avan Dzoraget Hotel, nestled amongst the forest-covered hills and rocky slopes of the Caucasus Mountains.

This evening we arrive into the Georgian capital of Tbilisi, where we stay for the next three nights at the Marriott Hotel.

DAY
4

TBILISI

GEORGIA

Hemmed in by the Surami Range, the city of Tbilisi extends for 17 miles (27 km) along the banks of the River Kura. Despite the wars and fires which caused innumerable changes in the topography of Tbilisi, the old part of the city still retains much of its original layout, a spider's web of narrow winding streets and alleyways.

Historical sites we visit include the 13th century Metekhi church, a cross cupola church which forms part of the Royal Residential complex, and the 5th

century Sioni Cathedral, the main church of Tbilisi. We will also visit the recently built Holy Trinity Cathedral, one of the largest Orthodox churches in the world, and take a walking tour of the old town and Rustaveli Avenue. Here we will see the Great Hall of the Georgian Philharmonia. Built in 1969-71, it has been acknowledged as one of the finest public buildings since the Second World War. Moreover, there will be the chance to see the treasures of the city housed in the Janashia Museum of Georgia.

DAY
5

TBILISI - GORI, UPLISTSIKHE CAVE CITY & MTSKHETA

GEORGIA

Gori is one of the oldest cities in Georgia, founded in the 7th century AD as Tontio. Joseph Stalin, the Soviet leader, was born here in 1879. He spent his childhood years in the city and later (1888-94) studied at its theological seminary. The small house where Stalin was born is preserved under a canopy outside the huge columned palace-like building that houses the Stalin Museum. To the side of the museum is Stalin's private railway carriage. The museum offers a haunting and fascinating insight into a man responsible for more deaths and suffering than any other human being.

The famous cave city of Uplistsikhe dates from the 6th century BC and is first mentioned in the chronicles of the 1st century AD. Carved into rocky plateau we find huge echoing halls, meandering corridor-streets, chambers for pagan worship and even the remains of Georgia's oldest theatre, complete with auditorium, stage and orchestra pit. Like the other cave-towns of Georgia, it is rooted in the prehistoric traditions of the peoples of the Near East. On one side the fortress was protected by the Mtkvari and an almost vertical rock face; on the other, by powerful fortifications. Its strategic position on the approaches to Gori and its strong defences made it possible to control the surrounding terrain. There were numerous attempts to destroy Uplistsikhe. Only in the 13th century, however, did the hordes of Genghis Khan's son Khulagu succeed in doing so, after capturing and destroying

many fortresses in Transcaucasia with the help of siege machines. The 5,000 inhabitants of Uplistsikhe perished and life ended forever in the fortress.

Late afternoon, our explorations will take us to the city of Mtskheta, Georgia's Old Capital. Due to its historical significance and numerous ancient monuments, Mtskheta became a UNESCO World Heritage Site in 1994. During today we will also enjoy a private performance of traditional Georgian polyphonic singing – this is an immersive experience which offers a truly unique insight into the beautiful local culture and heritage.

DAY
6

TBILISI

GEORGIA

This morning we visit a Georgian winery.

After lunch in the city, we board our private jet for the short flight to Baku. Upon arrival we stay for three nights at the five-star Four Seasons, Baku.

DAY
7

BAKU

AZERBAIJAN

Baku, the capital of Azerbaijan, lies on the western shore of the Caspian Sea and the southern side of the Apsheron Peninsula, around the wide, curving sweep of the Bay of Baku. The bay, sheltered by the islands of the Baku Archipelago, provides the best harbour of the Caspian Sea, while the Apsheron Peninsula gives protection from violent northerly winds. Baku derives its international importance from its huge oil industry.

The core of present-day Baku is the Old Town, or fortress, of Icheri-Shekher. Most of the walls, strengthened after the Russian conquest in 1806, survive, as does the 90 ft (27 m) tower of Kyz-Kalasy (Maiden Tower, 12th century). The walled old town is highly picturesque, with its maze of narrow alleys and ancient buildings. These include the Palace of the Shirvan-Shahs, now a museum, the oldest part of which dates from the 11th century. Also from the 11th century is the Synyk-Kala Minaret and Mosque (1078-79).

Other notable historic buildings are the Law Court (Divan-Khan), the Dzhuma-Mechet Minaret, and the mausoleum of the astronomer Seida Bakuvi. Around the walls of the fortress, the regular streets and imposing buildings of modern Baku rise up the slopes of the amphitheatre of hills surrounding the bay.

DAY
8

BAKU

AZERBAIJAN

This morning we offer a Freedom of Choice tour to Gobustan Rock Art Cultural Landscape. Located 40 miles (64 km) from Baku on the west bank of the Caspian Sea, Gobustan is an outstanding archaeological site of more than 6,000 pre-historic rock engravings. The area also features the remains of inhabited caves, settlements and burials. This is followed by lunch, accompanied by incredible views, overlooking the Caspian Sea.

Returning to the city in the afternoon, you can choose to enjoy free time in the city or visit a local theatre. Dinner will be held in a traditional local restaurant this evening, furthering your immersion into the local cultural and culinary identity of Azerbaijan.

DAY
8

BAKU TO ASHGABAT

AZERBAIJAN

This morning we re-join our private jet for the flight between Baku and Ashgabat.

Ashgabat, the capital of Turkmenistan is known as the 'Las Vegas of the Kara Kum'. Situated between the Kara Kum desert and the Kopet Dag mountain range, Ashgabat is a relatively modern city built upon the ruins of the Silk Road city of Konjikala. The Soviet city was largely rebuilt after the devastating earthquake of 1948. The city's extravagant fountains, golden domes and towering modern buildings appear strangely incongruous in this desert setting.

Upon arrival we will board the Golden Eagle. Once settled into our cabins, lunch will be served in the Restaurant Cars. This afternoon we have the opportunity to explore Ashgabat and highlights on our panoramic city tour includes visits to the National Museum and Wedding Palace.

DAY 10
DARVAZA BURNING GAS CRATER

TURKMENISTAN

A further morning of touring in Turkmenistan features a visit to nearby Nisa, an ancient settlement of the Parthians, and was declared as a UNESCO World Heritage Site in 2007.

The Golden Eagle departs Ashgabat at lunch and makes a scheduled stop tonight at Ichoguz. We leave the train and make a short journey to Darvaza's famous burning gas crater, a spectacular sight best seen at night. Located in the middle of the Kara Kum desert where the area is rich in natural gas, the 70-metre wide crater is known by the locals as the 'Door to Hell' and has been burning for over 40 years. A unique experience that is not to be missed.

DAY 11
KHIVA

UZBEKISTAN

Crossing the border into Uzbekistan, our train arrives to the ancient city of Khiva, founded 2,500 years ago. As one of the Silk Road's most important trading posts and now a World Heritage Site, it lies at the crossroads of the routes between Mongolia, Russia, China and Persia. A truly magnificent sight to behold, it rises out of the desert to reveal a wealth of impressive architecture. Stepping back in time, we discover the impressive mosques, bazaars and minarets within Khiva's ancient walls.

DAY 12
BUKHARA

UZBEKISTAN

Bukhara is quite simply outstanding. Like Khiva, UNESCO sponsored the renovation of much of the city for its 2,500th anniversary in 1999.

The highlight of this wonderful tour is a visit to The Ark, a fortified residence of the Emirs of Bukhara – the despotic and ruthless leaders who ruled until Soviet times. Our touring programme will also transport us to the grandeur of Poi-Kalyan Square, home to the iconic Kalyan Mosque, a living relic of traditional Islamic design. Stroll through the mosque's large maksura rooms, pillar-domed galleries, and deeply recessed niches, and you will be transported to a bygone era.

Immerse yourself in the lively pulse of the city as we explore the bustling Trading Domes of Bukhara and gather at Lyabi-Hauz Square, a vibrant social hub cocooned by a pool and embraced by the soothing shade of mulberry trees and local tea rooms.

This evening, weather permitting, we will enjoy a barbecue on the station platform before our train departs – a unique farewell to an incredible city.

DAY 13
SAMARKAND

UZBEKISTAN

More so than any other town, just the mention of Samarkand instantly conjures up evocative images of the Silk Road. Founded in the 6th century BC, Samarkand's stunning architecture hints at its former status as one of the most important cities in Asia and is particularly noted for its architectural remains from the 14th to the 17th century, when it flourished as the fabled capital of the Mongol empire of Timur and his successors.

Today we will visit some of its most significant sites including Registan Square, the refined elegance of the beautifully proportioned Bibi Khanum Mosque and the Ulag Beg observatory, one of the earliest Islamic astronomical observatories built in 1428.

Prepare for an unforgettable evening in Samarkand that will leave an indelible mark on your memory. As the sun sets and night descends upon this ancient city, we will whisk you away to the illuminated Registan Square, where an extraordinary spectacle unfolds. From your prime front-row seats, you'll be treated to a dazzling light show that weaves the rich tapestry of Samarkand's history and significance.

DAY 14
TASHKENT

UZBEKISTAN

Today we visit Tashkent, the capital city of Uzbekistan. We spend time touring this modern Soviet-style city, which was rebuilt following the devastating earthquake of 1966.

Our tour of the city includes the Old Town, where traditional homes and religious buildings line the narrow streets. In a small library here we will be privileged to see one of Islam's most sacred relics – one of the world's oldest Koran's. Also included in our touring programme is a visit to the Railway Museum and the Museum of Applied Arts.

Tonight, we enjoy a Farewell Dinner onboard the Golden Eagle, as we head for our final destination, Almaty in Kazakhstan as we approach the end of our 16 day odyssey.

DAYS 15-16
ALMATY

KAZAKHSTAN

Almaty is the largest city in Kazakhstan and is notable for its wide tree-lined boulevards. Surrounded by the majesty of the Tien Shan Mountains, this beautiful city derives its name from 'alma' meaning 'apple'. Just a short distance from the city, apple orchards thrive in abundance.

Deepening your experience of this magnificent city, we will take a city tour to include Panfilov Park, located in the heart of the city, and the unusual, Zenkov Cathedral, a 19th century Russian Orthodox Church made entirely of wood.

For our final evening, we will enjoy a relaxing stay in the Inter-Continental Almaty hotel for one night. Following breakfast, you will be transferred to the airport for your onward flight.

For customers in the United Kingdom we can put you in contact with our recommended visa support agency.

ACCESS TO WI-FI

On the *Golden Eagle* there is a Wi-Fi box on board, powered by a 4G sim. Coverage is limited and will usually be available as we pass through larger cities/towns. However, on all tours we aim to provide internet access in a local hotel or restaurant for passengers at least every other day. Our Tour Manager will keep you informed of all the opportunities to use Wi-Fi and provide password access when necessary.

INSURANCE

It is a booking condition that you must be fully insured for any medical expenses that may be incurred whilst travelling. For UK passengers comprehensive travel insurance policies can be obtained from Campbell Irvine.

VACCINATIONS

As our rail journeys visit areas of developing countries, we strongly advise that you consult your doctor or a medical centre for specific health advice.

ON BOARD DOCTOR

We provide a doctor on board all our tours who is available for emergency medical situations 24 hours a day. They carry a fully stocked medical kit but it is your responsibility to ensure that you obtain any vaccinations, prescribed and precautionary medicine for the countries you are visiting before travelling with us.

INTERNATIONAL & DOMESTIC FLIGHTS

Flights are not included (unless part of the itinerary) but we can advise fares and book them for you if the flights originate in the UK. Please note that we do not advise that you book flights more than 60 days in advance of the tour departure date (see Booking Conditions).

HOTEL ACCOMMODATION

Hotel accommodation as described in the tour itinerary is included in the price of the tour. All hotels are of a 5-star standard or best available. Room upgrades are available on request, subject to availability and at an additional cost.

ITINERARIES

Accommodation and tour itineraries, including the provision of guest speakers and steam haulage, are subject to change at any time due to circumstances beyond our control. Every effort will be made to operate tours as advertised and as per the rail timings received. On selected departures where group numbers are small, a shorter formation of the *Golden Eagle* will operate as appropriate to the number of guests. We attach our carriages to the rear of a regular train each day, however your on board experience will be unaffected, there being no connection between our train and the main train.

SPECIAL REQUESTS

We pride ourselves on offering you a personalised and knowledgeable service and will make every effort to meet any of your special dietary, room or travel requests. Also we are very happy to cater for any special occasion or anniversary that you are celebrating whilst you are with us. Please advise us at the time of booking.

SINGLE TRAVELLERS

Many of our guests are single travellers and of course passengers travelling as small groups, families, couples or singles are all equally welcome.

GRATUITIES

All gratuities are included in the tour price and we strongly encourage passengers to refrain from offering gratuities to crew/hoteliers/drivers etc. We would prefer passengers to inform our management of any exceptional service received, and we will reward accordingly.

LANGUAGE

The primary tour language will be English. French and Spanish speaking guides are available on selected departures or on request at an additional cost. Other languages e.g. German may be available on request and at an additional cost. Please contact us for more information.

MEETING POINTS

Details of hotel/airport meeting points will be printed on the tour vouchers and departure packs that will be sent to you one month prior to departure.

MINIMUM PASSENGER REQUIREMENTS

All our rail tours require a minimum number of passengers to operate. Should this not be reached, we will run a modified service of carriages attached to regular service trains to accommodate a smaller group or offer an alternative tour. If no alternative is suitable a full refund will be offered. Reduced numbers mean smaller and more intimate groups, and a shorter train, as we leave unfilled cars behind. On a number of tours we will be combining our *Golden Eagle* carriages with regular trains departing at similar times. The on board experience and off-train tours will be unaffected and, as there will be no connection between our carriages and the regular trains, the *Golden Eagle* carriages will remain totally private and you will not notice any difference to the quality, comfort and enjoyment of your holiday.

TRAVELLER HEALTH CONDITIONS

To get the most out of our tours, passengers must be able to walk at least a mile per day at normal walking speed. The traveller confirms that neither he/she has any physical or mental condition or disability that could create a hazard to him/herself or other members of the tour. We reserve the right to refuse travel to anyone who, in the opinion of the tour doctor or tour manager would be incapable of completing the tour or would cause unacceptable delays to the rest of the group. In these circumstances there would be no refund for any unused part of the tour. We also reserve the right to reclaim any costs incurred as a result of providing additional services to cater for their mobility needs e.g. a wheelchair. If in doubt, please call us for advice.
